

I'm Trying!

i cant believe that i stumbled on this site!! This may be the greatest thing ever to happen to me!! Im really new to this site and i am somewhat confused it seems there is so much going on here. Is there someone i can talk ( email,chat etc.) to that can give me a basic rundown about this site?? Im what you call a "kollel yungerman" and imm suffering from a porn addiction for so many years. To say ive given up is an understatement!! Every time ive tried something else coame along and...BOOM! im sure you all can understand me. Im hoping that after all these years this might just be my salvation. Ive already signed up to 90 day chart but it seems there is so much more this site has to offer.

IT25 is good and well.

He has disposed of his internet connection

and may visit sporadically.

Gut voch.

I assume he didn't tell us because he made this big decision on Purim while drunk. That's when the Jewish soul shines it's brightest.

Thanks to all my GUE buddies. Without you this would of never happened. Ive thought of you guys alot! Im hoping this is just the beginning of good things to come.

I really would love to thank you all personally but being that my access to the computer/internet is seldom, it might have to wait!

(Im not sure where the forum is holding these days, but as a senoir citizen im gonna take the liberty, to publicly thank my whole GUE family, which includes my mom, brothers, and my sistas!

Sorry. :-[

I didn't think you were addressing the newbies like me. I thought you meant it for your pals who were with you in thick & thin. I was just standing sheepishly on the sidelines feeling very happy for you but too shy to open my mouth..... :-X
