The point I was making was actually contrary to yours, I think.

~~I was~~ saying that although I found that it's possible for me to use lust as a tool to come to a closer relationship with Hashem, I can't use that as a mechanism to fight my inappropriate lusting. Maybe if I keep using the positive "lust" the other one will diminish. But I'm not banking on it.

i just saw again your very first very impressive post

i have exact same scenario

my wife sister is a picture perfect tall LADY, with everything up to date style

very very attractive, (b"h is not the brightest)

i had a lot of trouble dealing with her, and still have some

i even had my own thread a few years ago how to deal with her

i think it was called: how to cope with an attractive sister in law (or similar)

i got many ideas, it all helped

i wish i would have them posts, so it might of helped a friend like you

On the old site you could delete an entire thread if you were the one that started it.
