

Bigmoish's path to tahara

Posted by Bigmoish - 29 Jul 2014 23:01

I just posted my story in the "introduce yourself" forum. It feels like a weight off my shoulders already, but I hope I can really do this.

I already woke up this morning with the YH in my head, but I managed to brush it off and go

I heard a vort last night regarding the parsha of ??? ????? that I relate to.

~~One~~ The ??? ????? ?? explains that Hashem gives an extra measure of ?????? to those who wipe out the city, because a person is ??? ???? ?????, so if he murders, even for a mitzvah, his natural ??? ???????? is diminished. The speaker then told of a ??? regarding wearing ????? ?? ??????. Even though it is brought down in some places that one must be holding on a high ?????? in order to wear them, one ??? (I don't remember who) said that even if a person is not there yet, he should still wear them, as the action has the capability to lift him up. If an act of murder, even for a mitzvah, can negatively affect someone, certainly any positive action has a positive effect on a person's ruchniyus.

I was thinking about how many times I got up from acting out and felt ridiculous trying to guard my eyes in the street. But I guess the truth is that every time we do an action like not taking another look, it still makes an impact.

Hey Bigmoish, just read about your fall last week.

It's awesome to see that you're back with gusto, that itself should show you that you've

improved, you're not back at step one, not all that effort was for waste (actually none of it went to waste, but that's more difficult to see when I'm just after giving in)

KUTCaH!!! KOMT!!!!!!! and please KOP!!!!

Whoa. I just logged on and saw that my current streak (or lack thereof) is on display like dirty laundry. I was going to hide it again, but I guess once it's up there, might as well use it as a little motivation.

I just heard in a shiur that the ????? ????? says ("???:"? ?) in the name of the ??? ???:

???? ????? ???? ???? ?????? ???? ???? ?????? ?? ????? ????????, ????? ????? ?????? ????? ?????
????, ????

The speaker was surprised that the ??? ??? first mentioned physical needs, but, although it may sound different than what you would expect the ??? to be, I don't think this is a ?????.

You cannot focus on your true avoda without being physically, emotionally, and mentally ?????.

That is not to say that everything needs to be perfect, but it is definitely something appropriate to daven for first.

Similarly, the first step to teshuva is a physical healing of the illness that is our addiction, whichever path we decide works for us.

(Another parnassa comparison:)

Attempting to heal ourselves only by doing spiritual teshuva seems to me like the parnassa method of '?' ?????? ?? ??????:

???? ?? ?????, ??? ???? ?????

Yeah, but since a lot of people don't seem to believe in updating their streaks, it compromises the motivational value in way. I don't mean to pry, but is your streak really at zero, or do you simply not do the 90 day chart?

Lavi - I don't fully comprehend your comment

there is a vort from the holy mezritcher magid zy"a ? ?????? ??? ??? ??? ??? ??? ? ?????? ???
??? ?? ?????, meaning a small hole in the guf is a big hole in the neshamah, so to be able to
focus on ruchnios we need the complete guf so we need to daven first for gashmios,

i once heard a ?????? to the vort that if a small hole in the guf is a problem then a small hole in
the ??? meaning emotionally is for sure a bigger problem,

KOL TUV!!!
