

This is where I stake my life.

Posted by JohnHasBetterThingsToDo - 10 Oct 2014 23:51

---

It's time to live a life without this waste of time. At the very least, I want to try it for longer than the given period, and see if the grass is greener on the other side.

I hope to god that he will guide me on the cleaner path and give me a chance at life again.

WELCOME!

Could you tell us a little bit more about yourself and your struggle?

Check out the [GYE Handbook](#) and [Skep's tips](#)

Good luck, enjoy the ride. It's bumpy but definitely greener.
