me3

there used to be a guy here with that name.

oh, and by me, t'was much longer than 5 years.

Nachman, what are you doin' to recover?

Welcome Rabbi Nachman!

Come in, sit down, make yourself comfortable, the guys here are very helpful and understanding, tell us a little of your story, and what you are doing, may you have a safe trip to recovery. Be'Hatzlacha!
