## What constitutes a "Fall" to require restarting the count?

There are "slips" and there are "falls". "Slips" do not require restarting the count. "Falls" do require restarting.

A "Fall" is one of the following things:

- 1. Intentional masturbation (with finish)
- 2. Intentionally viewing improper sites
- 3. Intentionally calling inappropriate telephone numbers
- 4. Intentionally seeking out and reading erotica
- 5. Worse things, which we need not mention

In regard to number 2 (and 4), if someone saw something by mistake and then got a little bit carried away and kept looking at it, or even if someone saw a link and couldn't resist clicking on it but then catches themselves within a few seconds, that would only be considered a "slip", not a "fall". However, if someone decides to actively pursue viewing bad sites, that would be considered a fall.
