Hi friends,

i am B"h miraculous clean for 133 days. This comes with much challenge as keep on receiving these catalogs. Today i received another one. Although i did not open it and discarded it safely, it is a bit hurting that i have not been receiving these catalogs for years, and now after being close to 100 days clean i find myself in this challenge that i cant get rid of. i dont know how to relate to this fact that after so many clean days i am being forced into this challenge.

Any ideas?

Thank you

here is some info www.usa.gov/telemarketing#item-35222

I just printed out the form. i went to a post office that is out of my area. They didnt know what this form is about. They called the postmaster and she said I have to go to my local post office. I went to the post office and it was full of Yidden from my area, I was not comfortable to publicize this issue.

Now what?

I was thinking about that, but then won't all the mail forward. You can set up a PO Box and notify all your bills go your PO Box and then fill out a forwarding mail card at the post office so all the rest of the mail (IE the junk mail) will go to yehuputz somewhere. Any way I'm not even sure I'm being serious, because this sounds crazy

will take long for me to catch that you were sarcastic.

t'was a combination of both.

I don't need your catalogues, for I can get myself...if I would so desire.

You, however, are makin' a federal case about it....just forward them someplace....call 'em up and ask to be removed.
