

Azarye's journey

Posted by Azarye - 17 May 2015 01:11

Hello there.

I want to break free from masturbation addiction, because it takes power and control out of me.

So I dive in. Here's my journal.

Shabbos has ended and I want to live my first week with nachat ruach (I prefer this term to "clean").

Now let's go!

Sounds like a nice idea. So what's the battle plan?
