Welcome to GYE! I noticed that you have already found the Welcome Package For Newcomers. That's a good place to start. The links can also be found below. Reading the articles helps me a lot.

Welcome!!!

Maybe share with us why you joined.

Tell us what you want a guide/sponsor for.

Wishing you loads of Hatzlachah!!!

I have had an internet and lust problem for over a decade which was getting worse. I believe the problem started when I watched my parents hidden adult videos at age 9.
