Cumulative Chart Not Reading Correctly Posted by OTR - 19 Feb 2016 00:19
My cumulative chart is reading about 2k plus days. That is not accurate. How do I modify it to read correctly, or at least more accurately?

You should be able to edit when your logged on.
go to guardyoureyes.com/90-days-chart/chart
and by My diary you should have the option Edit .
