

Goodbye Hashchotas Zera

Posted by Sayonara Ayin Hara - 08 May 2016 16:18

I just joined. I've been waiting for a site like this for years!

Let the Gevurah begin!

Welcome to gye!

It's great that you took the step of posting.

It would be very beneficial if you wrote a bit more about your struggles, your history, and what you're doing now to stay clean. This way you can get specific feedback and advice from the oilam here instead of just the usual welcome.

The main thing is to stick around and keep on posting.

Welcome again!
