

Ano Nymous Part 2 - A new year and a new 90 day journey!

Hi Guys,

I have (stupidly) neglected this forum because I was simply overwhelmed by the amount of new material on here on a consistent basis. I started my 90 day trip last year on November 20th, and I'm doing the same this year. I've set up my cell phone in such a way that I will be able to send and receive calls for free so I can call my partner and call the phone conferences for free.

Today, Shabbos, was day 2. Let the chizuk flow, because this will NOT be easy. I'm reaching for a new plateau compared to last year. I fully believe that when faced head on with temptation, I am completely powerless. I become a shell of myself, completely out of control. I know though, that if I never give up and I take the right steps, I will win the war despite the lost battles. Signing off,

Ano

The day is done, and I am VERY tired. I took my hardest final today on no sleep, and I think I did pretty well. I've got three more left, and then I get a nice 2 week break. I'm starting to open up a bit more not; in the last week I've spoken on the phone with Uri, SilentBattle, and IT25, not to mention the people I've spoken with on the phone in the past (tomim, guard, and others). The support I get from all of you guys is appreciated more than you will ever know, and more than I could ever quantify or put into words. Thanks for being here :D

Yea I was lucky enough to speak to guard way back when he was still a mere mortal with a teeny bit of free time on his hands. I talked to him when I hit 90 days last year, and also when I hit 6 months (and I think one other time as well). All told, I think I was able to speak to him for

i am jealous!

not that i'd have anything to say if he was on the phone (i dunno why, but people don't usually like it when i say thank you 10 million times in a row)

but i'd love to hear guard's voice, or see a pic of him... u know, just to know who i owe so so much to...

His voice was so holy that when I first spoke to him, I died and needed to be revived by Hashem. After that, I was given an intermediary to go between me and the holy guard so I wouldn't continue to die.
