

Ano Nymous Part 2 - A new year and a new 90 day journey!

Posted by Ano Nymous - 21 Nov 2009 23:43

Hi Guys,

I have (stupidly) neglected this forum because I was simply overwhelmed by the amount of new material on here on a consistent basis. I started my 90 day trip last year on November 20th, and I'm doing the same this year. I've set up my cell phone in such a way that I will be able to send and receive calls for free so I can call my partner and call the phone conferences for free.

Today, Shabbos, was day 2. Let the chizuk flow, because this will NOT be easy. I'm reaching for a new plateau compared to last year. I fully believe that when faced head on with temptation, I am completely powerless. I become a shell of myself, completely out of control. I know though, that if I never give up and I take the right steps, I will win the war despite the lost battles. Signing off,

Ano

You are what you eat, and there ain't no vegan seals out there...

(Or at least you smell like what you eat... see any shtibel after the herring for proof of that one...)

Haba,

I'm also a member :D

Today was good. Knocked out a couple more finals, which means I'm almost done!!

I think the week is up, which means it's time to renew my neder. Arghhh... it's so much easier to just leave the forum and everyone in it and go back into my shell. But I know what it feels like in

And people already know how to contact me, which means there is already some measure of accountability; I can't just disappear and get away with it :D

Nope, I'm around. I actually slept from 1:30 to 7, and slept VERY deeply. I guess my body was very tired out from finals and the lack of sleep. I woke up to find that I had had a wet dream. It was not my fault at all though! I haven't seen or done anything that would bring it on, and I didn't see anything either, so I think it was just a result of my body being utterly exhausted.

I met Uri yesterday!! He's a complete crackhead...just like me :D

Hi guys,

Things are good over here. I'm getting ready to head out of NY. Bye everyone!

I've just renewed my neder for another week, so I should be good until next Friday. I'm not paying too much attention to the amount of days, although I will count the weeks (or at least keep track of them). Keep the support coming, because I've got two weeks of vacation time

now, which is the hardest time to pass cleanly.
