

Ano Nymous Part 2 - A new year and a new 90 day journey!

Posted by Ano Nymous - 21 Nov 2009 23:43

Hi Guys,

I have (stupidly) neglected this forum because I was simply overwhelmed by the amount of new material on here on a consistent basis. I started my 90 day trip last year on November 20th, and I'm doing the same this year. I've set up my cell phone in such a way that I will be able to send and receive calls for free so I can call my partner and call the phone conferences for free.

Today, Shabbos, was day 2. Let the chizuk flow, because this will NOT be easy. I'm reaching for a new plateau compared to last year. I fully believe that when faced head on with temptation, I am completely powerless. I become a shell of myself, completely out of control. I know though, that if I never give up and I take the right steps, I will win the war despite the lost battles. Signing off,

Ano

Welcome Yearning, and way to go Ano! I'm certain that Ano was only presented with the test

because Hashem knew that at that particular point he had the power to overcome it. I'm glad he did, and I'm glad you're here! I read the posts in your thread and I'm glowing with joy in that you're part of this. While you're here at GYE, you're going to see tremendous miracles of transformation! We're all in this together, and as long as you stay close, we'll hold onto you. Yearning, are you on Duvid Chaim's calls, following the 12-Steps? Duvid Chaim's the best guy in the west, and the benefit of joining the calls is tremendous! Call him up (if you haven't joined already), and after a short introduction, he'll happily get you started in the program. Wait till you see the new "you"! Wow, you're gonna like this! (I don't want to share Duvid Chaim's cellphone number here on the public forum, but if you send Guard an email, I'm sure he'll pass the number along.)

Hey Yearning, why don't you start building that post count of yours? You've got to catch up...

I'm celebrating the fact that you're here and you now have the courage to post!! I remember my first post here, and it took all the courage I had (and some more that I didn't have) to write it and share it. You can also talk to me all you want on this forum. Remember, it was never rejection, but just keeping the necessary distance to prevent any trouble (let's not forget why we're on this forum :D ). Please do take Tomim's advice, and join Duvid Chaim's call! It's awesome!! And build up your post count too ;D ;D

Wow today was day 16 already. The time is flying by, and I haven't been faced with that first test yet.

@7Up: I LOVE ice cream! Can you bring me some?

@imtrying: Who's telling stories about me?? Send me a PM if you'd like, and we can chat on gmail or something like that.

Let's see here...it seems that today is day 17. I wish I could hit the pause button and just savor the moments that are passing me by. I wish I had more time to write posts in all the other threads here, because then perhaps people would write stuff here. This thread is waaaaaay too quiet. Even guard doesn't have the time to write much here anymore. Or could it be that he believes in me so much that he doesn't think I need the chizuk? If that's the case, you're WRONG guard. I need it just as much as anyone else here. But I'm not alone. I've got Tomim, and yiddle, and Uri, and everyone on DCs phone conference, and the list goes on and on... Thank you all so much!! ;D

It was a good humor bar, and although it tasted pretty good, it had this really disgusting texture. Really, REALLY disgusting. Yuck :-X :-X
