You are talking in hieroglyphics...

why do you hate?

wheres your cave?

are we the family you're blessing?

who were you including in the extra "L"?

Because people are so selfish and cannot see passed themselves

In israel

It's true that people are very selfish.

So are we... which makes sense since we are also people.

Eretz Yisrael is definitely missing you guys!! Maybe this will be more reasons for you to become Israeli!

Nothing beats the Israelis personal brand of selfishness.

I am so sick and tired of all this

When can I just lead a normal life

When will my family be normal again

When will I feel happy/good with myself

When will I learn to control myself in all areas of life.....

Il feel for you.

without knowing all your details, I felt similar in the past.

At least, once I began to care.

That's when I started a steady progressive diet of work. Escalated each step of the way. I just reached out Saturday night to the woman who saved my life. I thanked her again. She understood my frustrations. She encouraged, pushed and even threatened me into recovery. Real recovery. Thank God and thank her.

Know that there is light at the end of the tunnel. It may be long, dark and dreary, but it is there, and it's worth it.

I am happy to hear that you see a light at the end of your tunnel but I think that I am in a parallel one....

It didn't then.

Sometimes now, I fool myself, and forget what the tunnel felt like.
