Feeling really uptight down resentful blah blah blah.....  
encouraging and thoughtful that i know i can do this for good !

So just gonna vent not really asking for a reaction

**Warning: Spoiler!**

My self esteem is really down now

---

I am very confused as to where life is taking me

Kids are super kvetchy and not sleeping at night

Same goes for the wife g-d bless her

I feel like I want to explode

I want to act out in ways I never really would or could

Oh and the AC is not available again and it is only 33/93

Have a great Shabbos all you brothers and try to stay clean

Acting out when the temperature is 93 is awful; don't do it!

Seriously, why no AC?

Mayan, life for me is so real and so good bh,

now that I joined gue and i see men that fall and get right back up and KOT it shows me (I hope

other too) that we are stronger than this nisayon, we declare that no fall will ever let us down, and even if we fall or will fall we are not afraid since we'll just move on with life.

i'm posting this feeling of mine on ur thread for ur the one that by acting as a role model brought this to my attention.

a groese yeyasher koach!

I do not know what you have seen in my posts to get such a chizuk

However that is not the point. What counts is that you were helped and I am happy that that happened

It is a reminder for me that I have know idea what is going on and that I need to let Hashem continue driving my "truck"

Thank you
