We all must march like the best army in the world, and with the best weapon in the world, let's keep our flag ?? ????? very high, and we will never surrender to our worse enemy LUST, he is a monster, and he won't let us go till our last breath, but we are much more stronger then him, and we will prevail, every soldier gets a medal for every good move and elimination of the enemy, I promise you all, for every lust and acting urge elimination, a golden chair is being reserved, Im marching like a pro, like a major general, not looking from behind, only forward, please join me all!!!

Thank you Hashem for directing me to this great GYE community, Thank all of you, for the support and chizzuk I receive daily from all of you,?? ????? ??????, and most of all, thanks for my great partner, all my clean days and being abstinent of any sexual stuff goes to him...

Today is #3, and **Today** only, ????? ?? ?????? ??????, I will be on top of my soul, I'm not interested what happened in the past, and what it will happen in tomorrow or in 2 weeks, or 2 months... and the **Today** is not that long, just a few hours, let's not mess up the few moments left in **Today** and Hashem, please stay on my 2 sides, please don't let me down, I want to stay clean, and help me and all *Klal Yisroel* stay clean.

I didnt fall, i just stopped fighting lust. The YH (lust army) is WAY too powerful to fight against.

Surrendering is the secret tool that lets him go take the fight to other people who want to fight.

You can't have serenity AND be in an army fighting a war 24/7

I chose serenity.

We will win!
That means that when lust rears his ugly head, instead of putting on boxing gloves I give him

the winning belt, and turn around and walk away.

Let go and Let God. I believe that if I am fighting I am not letting go.

If i am surrendering I am letting God.

Thank God i am learning about all this in detail through my 12 step SA program, sponsor and fellowship of fellow sex addicts.

GYE helped me to get clean, SA is helping me to stay clean.

Hope this makes sense

Great! The 12 steps are all about letting God completely run our lives and working on our character defects with rigorous honesty.

We need it dumbed down for us haha.

A few months ago I wrote a little vort about how the surrender secret is a secret weapon

Hashem sent in the end of days as part of ikvasa demeshicha.

I dont know how true it is but it makes sense to me.

Much Hazlocha

Hashem should give you the strength to march forward clean, just get your self up, and continue clean, I'm much more stronger now after my last fall, last shabbes, then before, so don't worry, you can do it, and you will do it... just the courage of admitting the fall shows strength, so keep on marching..

yes, that exactly my experience, this nowhere falls is a terrible feeling, but don't get depressed, it wont help, just get up, and be happy that you can go forward, and be happy that you are a member here in this great community, its a great place, full of great people, full of support and chizzik.

Day #8

B"H I passed **Day #7**, and **Today** is **Day #8**.

Yes, I gained another **Today**, that **Today** is called **number #8**, wow, I'm clean for more than a week, a full week, who would believe that, (I'm really clean of porn and looking at inappropriate stuff for 66 days, i just had a fall, if that counts) I'm very grateful and thankful to Hashem because he is always on my side, I won't fool myself, I'm a full fledge addict, and I am powerless on my addiction, and I need to be constantly fully aware of that. I'm still on top of the hill, one slip and booms.

I had a very successful day yesterday, and I'm very very proud of that, I had to use the NYC subway, and I don't have to describe how it looks like, there is more "human like Animals" then regular humans, it was packed, and I didn't look anywhere, I didn't cheat, not even once, yes, it was very triggering, but I came out clean, It was hot, i was bullet sweating, so I was thinking to myself, that my heart is probably being washed out now, that's why im wet, ??? ????? ????? ???????, I wept on mentioning names of people who are desperate for ???????, and I said, that I'm working hard not to fail, so Hashem should help this people too.

Today is **Day #8**, and **Today** only, I really want to stay clean, and I will stay clean for the rest of my life, I realized that I'm Powerless, I can't help myself by myself, I need upper power, assistance and guidance, the **Today** is not long at all, it's a matter of just a few hours, I won't mess up the few moments left in **Today**, and Hashem, please stay on my 2 sides, please don't let me down, I want to stay clean, and help me, my partner, all GYE members and all Klal Yisroel stay clean.

Stay Strong! Stay Clean!
