So, in your interest of today, what are you doin' today?

so, here is my **TODAY** plan, until 6 pm, I'm at work, and since I'm a GYE member, I'm not involved any more in any wrong doing at work, I used to work around with our filter, but I don't do that any more, after 6 till the kids go to sleep, like 10 pm, I will be Busy with them, so my struggle begins about 10, I will stay strong, planning on going over the GYE handbook etc. and if ill have any urge, ill post right away here,

hope to be back tomorrow SOBER, CLEAN..

I'd overwrite important meetings, conferences, dates with my wife, etc.

Day #6

B"H I passed day #5

Here is my update, as I wrote in my other thread, [My Upcoming Dilemma](#) i stayed sober last night, in my wildest dream 3 weeks ago i wouldn't believe that I will stay clean such a night without my wife on site, the nights when my wife used to be away, vacation or summer months was used to be the most dirty ones, i just can't imagine that i successfully finished yesterday's TODAY clean, i was so afraid of a fall.

i have to admit, that it popped into my mind a few times some thoughts, like touching and pleasuring myself, but i pushed it away in the second it came to my mind, i didn't let it come to fruition, and I'm so happy with my self.

so again, '????' '???' '???' '???' '???' i prayed so much the last few days that this few days should pass '????', so I'm happy that one day has gone clean.

i spend at night reading the GYE handbook, and FREE LUST TRUCK TOWING thread, there is a lot of good stuff there, thank you Markz, you are the guy.

i don't know what by the end hold me back, and to stay clean, 1) that ill be depressed, ashamed and having to start day one again, 2) reading on our forums, and the support from all of you, or both, I'll leave that to you to decide.

let me finish with my biggest THANK YOU for all our great '????' '????' '????' you were my support, without you, i would never be what I'm today, you will definitely share the '???' '????'".

im so excited, i feel like a million dollars.

will keep you posted again tomorrow morning

today is #6 and **today** only, I will be on top of my soul, I'm not interested what it will happen in tomorrow or in 2 weeks, or 2 months... and the **today** is not that long, just a few hours, and Hashem, please stay on my 2 sides, please don't let me down.

My YH is trying to bring me down about my last fall, but I'm not going to let this happen...
