

Still Raging Against The Machine

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh\*\* aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

Women are very sensitive that way. Hashem made them be like that so we men get some free ego bashing. I learned the hard way that my wife is NOT just another "friend" from the dorm. She just doesn't seem to "get" what's so funny when I make a joke on her *cheshbon*... A lot of tears and loud words (or paragraphs) later, and I was usually a whole lot humbler.

You're still young... these are the growing pains. Relish them, for they will make you into a REAL man. (Especially if you can go out there to her and admit you were wrong and insensitive).

Ouch.

But it's freeing... They **love** to hear that. :D  
It took many years, but we are starting to understand each other more

Try telling that to the retarded feminists.

Reb Rage, I absolutely respect you, regardless of whether we disagree on this issue. Just want to make sure you know that.

if you're relying on universities teaching people right from wrong, though, then we're all in a lot of trouble!

Rage?

where are you today?  
And I certainly agree with your conclusion that the world without Torah is doomed.

Reb Rage (yup, said that), I'm liking your picture thingie of the nuns. Sorry if I missed this above, but I first saw it with a post-9/11 subtitle of: "...and they thought they *wanted* the 72 virgins...."  
then work...

...hope you liked it.

Be well, friend.
