

Still Raging Against The Machine

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh\*\* aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

so you can't do everything?

i'm not surprised.

you're not superman (though you're pretty close)

sometimes you have to let some things slide so that you can catch up somewhere else...

it's ok.

try talking to your wife. calmly. tell her how you *feel*/ women love that word. then listen to how she feels. agree with everything she says, then reiterate what you need right now.

Like I can't possibly please everyone at the office and my clients and my wife and m family and all I wanna do is listen to music and chill on gye and instead I have this impossible task of making everyone happy...churn my ass inside out at the office and then go home and get my inside out ass kicked

Not so bad rage. This way it will be back to normal. :D :D

Rage, when we feel tired, hungry, overwhelmed, un-able to please everyone anyway, we are very, very close to falling. Most addicts fall in such a state. The fact you admitted how you are feeling and realized where it was heading is truly a sign of great inner strength and honesty.

Next time you feel that way, try listening to [this 4 minute clip](#) from Rabbi Reisman.

"The doctor's secret" is a big Yesod that we all need to remember.

my co worker is a lazy good for nothing chatterbox that refuses to do her work and leaves messes for me to clean up and always smells real strong like tuna fish...her shaitel looks like some animal with mange curled up on her head and just died...i offered her to pay for the wretched thing to be washed...i removed all the chairs in my office so she wont stay and chew my ear off about her 20 year old son's godamn yeast infection but she sits on the godamn floor and goes on and on...i hope her husband gets a real super high paying job so she can quit....i am going to the end of the world tomorrow to clean up her godamn mess and she wont even lift a finger to help...

whew...

ok

there, im feeling better....

Thank G-d she's all that, and not some pretty co-worker who sits and chats all day with you!

We can always find the good in everything if we try hard enough.

Oh, even better. Thank g-d she's not some Neo-nazi with a big club with nails sticking out - pounding it on your head all day.

Phew! That was close.

HUG from Tatty!!

Despite all my rage, I'm still just a rat in a cage.

What happened to the dogs who were gonna rip the ceiling off?

Uh oh, this might be a sign of some real recovery/inner changes at work... (Dov, are **you** behind this?)

It's funny how, in the "outside world," an ugly secretary is a bad thing - in our world, which just so happens to be the one with a clear and true perspective, it's a GREAT thing!

I'm sorry that she's so annoying, though...

All I did was let him sniff my meds, that's all....
