Here, I got it. This will give him a breather:

Rage, even if you had a fall, you DON'T have to visit Reb Shlachter. :D

Habib, I re-thought about it, and I think he indeed did mean that the "air-plane's" doors were closing, **not** like I thought before...

So take the fingers out of your ear.

**I SAID TAKE THE FINGERS OUT OF YOUR EAR!!**

oh forget it, she won't stop "lalala"-ing :-\

We're all waiting with baited breath (and no, that doesn't mean I ate worms for lunch), even if  
none so much as you, Habib...

I have to leave to mincha and work and work in a half hour or so, I want to hear from Rage  
first...

Good call, Mom!

So how about we all say...how about #130, then # 121? From the depths, then up to the mountaintops?

Wow!! Us restless natives are crazy about you!!

Thanks for sharing rage-ster!!

Just last week I was on the way home on a bus and had a similar experience. It was a good thing I called a few folks including an addict who I used to sponsor, my wife (who thinks she sponsors *me* sometimes), and just a friend out of the blue - all just to reconnect with reality. Cuz my body's reality is that the women of the world would all 'attack me' if only nobody was watching. What a nuuuuutttt!!!!!!! And there will *always* be a cadre of 'hotties' out there for more of my home-grown BS to grow a farm on. That kind of BS, we have all had enough of, hopefully....

But, that's my pickle. My body goes *right* there. I mean pek'l.....whatever.

Hang in there, brother.
