

Still Raging Against The Machine

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh\*\* aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

Go for it, Reb Rage! I know I'd listen!

Glad you enjoyed the sushi!

Honestly, I'd generally prefer steak. Medium rare, of course.

It's not late night for me...I live in NY! When I'm posting at 11AM in Israel, THAT'S late night for me! :D

Doing good, though, thanks - how're you?

IT25 - At some point, you'll have to let me make you a steak, and you'll eat it with your eyes blindfolded. I can almost guarantee that you'll enjoy it much more.

I didn't say rare, I said medium rare - it has MUCH more flavor, and much more tender, as well.

IT, I don't think anyone will ever leave you out...and although I hope to get to E"Y sooner rather than later, I don't really have any decent barbecue equipment there. Or even any non-decent equipment. In all seriousness, though, I'd love to make you an awesome steak sometime...

rage radio is comin together...bardys gonna be the first guest...i need to find the time for this, though...allow things to settle a little...

baruch hatatty, i am now two days on the line that doesnt end and feeling so grateful for gye

once again....

Somehow, whenever Im too tired to smile (too many muscles needed) Rage pops in with a Baruch haTatty and I have no choice but to laugh. Pure, evil nachas for the mom!!

[Rage ATM wrote on 30 Dec 2009 13:50:](#)

i really hope to be able to start with a podcast and then do a live internet based show with call ins...one step at a time, i guess...i first need to transfer all my jewish music to itunes so that i can start making playlists that are listenable...

Didnt know Rage *had* any Jewish music

But cant wait to hear this newest plan in action.

Can I do the commercials?
