

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

i have talked about good jewish music and through 7up pony express i distriubted some stuff too so what are you talkin about lady?...i think you originally coined baruch hatatty, no?...i need someone to do promos...maybe i can get people to say, "hey this is 7up and youre listening to rage radio" or in his confortng accent "hi this is dovid chaim and youre listening to rage radio"...thoughts, thoughts, thoughts...

Got to admit I forwarded the music without listening first.

And I dont know who coined the Baruch haTatty phrase, but hearing from *you* is the flake part!
;D

IT, I don't think anyone will ever leave you out...and although I hope to get to E"Y sooner rather than later, I don't really have any decent barbecue equipment there. Or even any non-decent equipment. In all seriousness, though, I'd love to make you an awesome steak sometime...

Leave all the equipment for me. ive got most of it already!

U just got to let the rager rage
cuz he don't want to act his age....

Well that was a mean joke and you havent even started! >

JUST KIDDING!!!

I just figured if your gonna dish it, you got to take it to my brother!

and BTW, I already got my ticket, I'm #486 on line to get Rage's first radio,

IT'S GONNA GO PLATINUM!!!

And then of course, like the original RATM, you get this whole existential crisis of how can I rage against the machine as I become the Machine????

Sup it25...Habib, I really wish I weren't an addict...I don't know if it will ever get easier...Thank god I have gye and all the good people here...together we can succeed...

I sometimes think that if we think that maybe it will get easier, this ahs the tendency of us lowering our guard. So lets not think if it will get easier or not, just what we can do today about it. the rest lets leave to g-d. One step at a time.
