

Still Raging Against The Machine

Posted by Cry2Tatty - 30 Nov 2009 01:17

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh** aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

There are no coincidences in life...seriously.

So I am completely sincere when I say that whenever that starbucks was built, part of god's calculation in having it built there was so that you, Rage, would feel rewarded for sticking to your guns, and saying to the yetzer hora, "I won't do what you tell me!"

Incredible.

Hey Rage, I just popped on your thread first time in a while, and I see you're traveling; and

thank G-d that **this time** you're not in Rochester Falls! :D

I checked out the hebrew forum and guess what's there? A thread for the wall of honor...rav shraga moderating the 90 days...that's rich...well I registered for an account because I wasn't sure if I can use my American passport there

Yeh, Reb Shlachter helped me set that up (I can't write Hebrew - he helped me translate it). He totally agrees that the 90 days is a very powerful tool, after all, if you check his own website at www.hugme.co.il, at the top you'll see on the Home-Page: "Heichal Ha'tehilah", which is the same idea as the "Wall of Honor" that we are doing... After all, the best thing to get an addict started, he claims, is to get him to transpose his "control" from the addiction into "recovery". The 90 day journey gives the addict a feeling of control - **in a GOOD way**. But ultimately, as the active addiction fades into the background over the 90 day "break", the addict can learn to connect with life more and more... and stop resorting to a fantasy world of escape...

Rage you are ROCKIN the house!! Keep strong, we are thinking of you...
