

Still Raging Against The Machine

so thats pretty much the deal...i showed up here one day by accident and saw something weird...here were all these jews that where putting up a genuine resistance to the evil empire that is lust...in all my wanderings ive seen some crazy crap but something like this? not at all...i saw two dozen frum blogs but alas, they too were contaminated by the lust assault..poor figures...nothing more than drones following the creed that larry flynt recieved himself on Mount Sinai...disguised as frum sites but nothing of the sort, really....did i find any voices that said, "look, this sh\*\* aint right..."...probably but a quick peruse through and i discovered that they were either out of touch with reality or just plain silly...and then i bumped into this site...and here was real and GENUINE and honest solutions....so i came...i looked around...marveled at all the flakes that took up residency here....

well, im now on at least 20 days of no pr0n and no bating...which is a miracle...its been years and years before i came here that i wasnt able to pull 5 days together and many many months where i stopped even trying....i dont know what happened but the group support and the genuineness of the good folks here and hearing their experiences and lo and behold i am a changed man...

the changes were not only in me but perhaps even greater in the people around me...no longer driven by lust i saw people (WIFE) in a new light and the changes in the way we relate to each other was quick and vast....this is perhaps what i owe GYE the most for....

i dont take myself too seriously and i hope you dont either....

That reminds me, I haven't posted on the women's side in a few days (I think). I'd better go see how they're doing.

Thats a great Mashal RATM,

Sounds like your holding up pretty well. Keep it up and keep noticing these things in life. These are A & W (no not the soft drink, the awe and wonder) Moments. If you keep noticing them, you will notice God in your life more.
