

sci1977 journey

Posted by sci1977 - 30 Nov 2009 15:50

I started on November 23rd on my 90 days online. I have been clean since the 19th. I am feeling a little scared today. I woke up and said this is going to be another great day that G-d gave me. It has been a tough day so far. I decided to log onto the website and not get off. After reading some and looking back at emails, I am feeling better, but am not going to chance it. No slips or falls. I will NOT give up!!!!

Without a doubt, he knows how you've grown, and he's doubly happy that you've learned from him!

Thanks SB. I keep saying this yucky feeling will disappear over time. Then I started realizing that time is the healer of all things.

Very sincerer words, SCI.

death of young man is a big trigger for teshuva.

i wish we adopt it for that goal.

shavua tov!

Day 51 clean and sober. Not much to report. Still sad, very sad. One more day for MM. Don't feel like writing today. Just live every moment to the fullest. A life of living is what we should all need to strive for. I am working on that one moment at a time. No slips or falls, non needed or

wanted.

I WILL WIN THE BATTLES AND THE WAR-WITH G-D'S HELP!!!

Sorry I didnt see this till today.

I too recently lost a dear friend, and I know that Dov has too.

Your wives birthday didnt 'coincidentally' happen the same time.

Hashem was subtly reminding you that life and death are one and the same.

Both have much to teach us.

Both are chesed, because both originate from HKBH.

May all future nisyonos be via simcha only.

Day 52 of being clean and sober. Really not much to report. I had a long day. More to come tomorrow once I take in the day fully. I love my family and my wife more today then any other day of my life. Always remember your parents. No slips or falls, non needed or wanted. Felling less sad today.

I WILL WIN THE BATTLES AND THE WAR-WITH G-D'S HELP!!!

Hey Sci,

Your exactly 27 days ahead of me, and I find your daily updates hugely encouraging, KUTGW!!!

All I know, the more people working on streaks, the easier it is for me. So thanks!
