

sci1977 journey

Posted by sci1977 - 30 Nov 2009 15:50

I started on November 23rd on my 90 days online. I have been clean since the 19th. I am feeling a little scared today. I woke up and said this is going to be another great day that G-d gave me. It has been a tough day so far. I decided to log onto the website and not get off. After reading some and looking back at emails, I am feeling better, but am not going to chance it. No slips or falls. I will NOT give up!!!!

Great job sci,

You are showing great strength yet realize that it is because of Hashem that you live to see the day.

Incredible...I had an extra couple of minutes, and checked your thread before leaving to work - and SO glad I did!

Now I feel even more pumped for my day!
