

sci1977 journey

Posted by sci1977 - 30 Nov 2009 15:50

I started on November 23rd on my 90 days online. I have been clean since the 19th. I am feeling a little scared today. I woke up and said this is going to be another great day that G-d gave me. It has been a tough day so far. I decided to log onto the website and not get off. After reading some and looking back at emails, I am feeling better, but am not going to chance it. No slips or falls. I will NOT give up!!!!

Day 31 and still holding strong. No slips or falls and needed or wanted. Not much to actually report on me. Thinking positive and living ever second. Working hard on letting G-d take control over everything and think when I make a decision, its one that G-d would approve of. I have left my hands blank and put guidance to them. My heart and all of me feels so much better. I have been trying to write out my story now for about a week and am having trouble doing so. I find myself repulsed by how I got here and how I let myself get that way. I guess actually putting in words is tougher then ever anticipated. I look at each day since I started writing and all that keeps pouring into my mind is, How sick I have been and what did I do to my wife? I will finish this story and move forward. I question whether or not my wife will ever forgive me, or if I can forgive myself fully. I am living life to the utmost now. But, I know today and forever more I have to love myself first. Put my life in G-d's hands and remember to think about all that is good and decent about me. I WILL WIN THE BATTLES AND THE WAR!!!!!!

Wow thanks for the beautiful post. I think once you get past this and you and your wife see the new wonderful person youve become it will make it all the more easier for you and your wife to forgive. Hatzlacha.

You are a powerful and inspiring person. And my experience is that from the deepest darkness, comes the most blinding light!

sci,

you are an honest inspiration.

You are trying so hard to heal

and your feelings are so real

that their sincerity seems to grab onto my heart

and I cant help but daven that Hashem accepts your heartfelt prayers

and shower you and your wife with real, lasting love and happiness.

Write that story bit by bit.

I think that there will be much to learn from your past

and future.

Other day not much to report. Heavily working on the story. It's non fiction for sure. Just needs a lot of edit by Reb Guard.
