Posted by sci1977 - 30 Nov 2009 15:50

I started on November 23rd on my 90 days online. I have been clean since the 19th. I am feeling a little scared today. I woke up and said this is going to be another great day that G-d gave me. It has been a tough day so far. I decided to log onto the website and not get off. After reading some and looking back at emails, I am feeling better, but am not going to chance it. No slips or falls. I will NOT give up!!!!

Day 88 of being clean and sober. Another day for MM. I feel good today. Not to happy about going a way on a business trip but what can you do? G-d will get me through. I have been really thinking about the idea of being an addict is like being allergic. (I have very bad allergies.) I totally agree with that concept more and more. If I am lets say allergic to peanuts. I don't eat them out of knowing what is going to happen if I do eat em. This addiction is the same. I know if I was to slip or fall it would be the same. It is a wonderful way to discribe it.

Thank you G-d for a great day and thank you for my wife and family. No slips or falls, non needed or wanted.

I WILL WIN THE BATTLES AND THE WAR- WITH G-D'S HELP!!

Well said! It's an allergy, and "just a little" is WAY to much!

We just stay away, one day at a time.

Keep on trucking!! ;D

Day 89 of being clean and sober. Thank you G-d for another wonderful day. I am traveling today for business and won't be back to my house until very late tonight. No slips or falls, non wanted or needed. I survived a night in a hotel!!! Also, and most importantly today, I am going to work and live. I am really looking forward to what today brings.
