

sci1977 journey

Posted by sci1977 - 30 Nov 2009 15:50

I started on November 23rd on my 90 days online. I have been clean since the 19th. I am feeling a little scared today. I woke up and said this is going to be another great day that G-d gave me. It has been a tough day so far. I decided to log onto the website and not get off. After reading some and looking back at emails, I am feeling better, but am not going to chance it. No slips or falls. I will NOT give up!!!!

Very true. Hashem sends us reminders of how precious every minute is, but we need to tune in and see his message - or, have someone special who sees the message remind us (that would be you, Sci).

An update on yesterdays post from last night when the kids were going to bed I felt that I gave them more of me yesterday. A lesson I have learned from anothers death. Small things are small things. Big moments in one's life need attention. Please make sure if you are a parent you give your kids an extra minute or a hug or something. I couldn't imagine my life without my

kids.

No slips or falls, non needed or wanted.

MAZEL TOV!

Will you be following the trend and making some sort of celebration here in Israel for the occasion?

Wow! mazal tov!

I'm close to being there myself - can I take the opportunity of both your anniversary, and mine, to thank you for your support and encouragement?

Hello all of GYE friends. I have been missing in action for a few months. I started a new business and really had not had the time to drop by. Still clean and doing well. If anyone is curious to the web based business I have, I send me a PM and I will send you the link.

No slips or falls, non needed or wanted!

WELCOME BACK!!!!

.... Did you really think that an addict is NOT curious? If I wouldn't have been soooo curious I might not have ended up so deep in the mud in the first place!
