

sci1977 journey

Posted by sci1977 - 30 Nov 2009 15:50

I started on November 23rd on my 90 days online. I have been clean since the 19th. I am feeling a little scared today. I woke up and said this is going to be another great day that G-d gave me. It has been a tough day so far. I decided to log onto the website and not get off. After reading some and looking back at emails, I am feeling better, but am not going to chance it. No slips or falls. I will NOT give up!!!!

Hey, Sci-Guy!!

Hope you are well, and busy as all get out with work.

We're starting a new 12-Step cycle in a week, on Monday Oct 31. My cruise is open for breakfast at 8:30 am NYC time, DC's at high noon with Lunch & Learn, and Shlomo's serving nite caps at 10:20pm. We'd love to have you come aboard. So if you've been waiting for a formal invitation, consider yourself bumped up to first class!

C-Ya,

Steve

Welcome back SGuy

Cord - Im on PC and this quote works.

Maybe mobile you're seeing strange characters, which all old posts **do have**, but you should be able to quote (I can't test on my iphone - it's currently got all websites locked)

Today is another great day. Something I want to share with everyone. G-d knows what he is doing. If we remember to put it in his hands we will be fine. It doesn't matter if you are stressed, have money problems, or anything else could be a trigger. It's an allergy and if you keep on remembering that all will be ok. We are just clay in G-d's hands. Life happens and its a wild ride. Just hang onto it and remember to not get uptight when the little things happen. I am extremely stressed with money problems but I realized this morning that living is more important then money. One day money willl get better with G-d's help. Life will always be there if you look for it. Listen to your heart as G-d is there and he knows what you need.

MM, I thought about you this morning. And I realized you were the best salesperson and I am going to take a lesson from you. Don't sell. Just be yourself and be honest and they will buy from you.

No slips or falls, non needed or wanted.

Money matters can be stressful to me when I think about them.

Il therefore try to ignore them.

My wife hates that attitude.

Relyin' on God is a good thin'. Wish I would speak that out more often.

Cordnoy if something is ignored, it can't be resolved. I'm in the middle of reminding myself everything takes work to fix what ever the issue.

no slips or falls, non needed or wanted.

Two things

1. There is a difference between ignoring the outcome of the money matters and the matter itself. ??????? can and should still be made.

2. It is anyway up to God.
