

from zero to 90

Posted by drust - 04 Sep 2019 08:18

I don't know how many days I can persevere against evil's temptations and bad thoughts... But the only one thing that I want is to defeat bad habits and stop watching inappropriate things.

I should break this endless cycle... I should unleash my soul from dirty habits.

I see the day all of us are celebrating our 90-days challenges.

both ways.... Unfortunately both internet and real society make me fall. In real society I should control my eyes but it's so difficult. and at home I should to avoid of being alone, but It's difficult to go out , too.

I don't know what to do.

I don't know what to do.

Drust

Just because an image stimulates desire, it does not mean you have to act on that desire.

Try using the technique of Mindfulness.

have you read the gye handbook, it might help in both areas, i know for me in the street , listening to a shiur that i like (or even nice jewish music sometimes)with headphones helps a lot.

one thing that im trying although havent gotten there yet ,is working on my bitachon/trust in Hashem,and that is ,if these things that i want to look at in the street were really good for me Hashem would give it to me, and if Hashem doesnt want me to look at them,it must be that its not good for me even though i may desire to look , Hashem knows best , so trust Hashem and as much as you can ,hold yourself back from looking , and one day youll understand why Hashem told you dont look .Trust Hashem , He knows what Hes doing,Hes not trying to deprive you.Hatzlacha!

Thanks a lot for your motivating words. But my mind deviate me in real social life. I really I want to be clean but sometimes my eyes don't obey my order to look straight way.

damn it.

after 8 days I broke my promise and I slipped in God's path. I watched inappropriate things and I fell into huge sins. at least I have my purity in practical ways. it's the positive status that could be mentioned.

I hope to withstand in that way for a long period (even for always)

Sorry to hear

Our Trucks are not designed to go from 0 to 90 in 1D.

Move into the 1DAAT gear and Hatzlacha!

yesterday I only watched inappropriate things and didn't masturbate. but today I couldn't tolerate anymore and I did it.

sorry. I think I should set my mind first. because it's disruptive extremely.

double damn. I just masturbate because of imagination what I'd seen yesterday. I thought about that pics and watched inappropriate movies again today.

It's not good at all. I should do something.

disappointment, stressful condition and loneliness would led me to this endless circle.

God please help me. I'm all ears to your orders.

Fund out another activity for when you get stressed.

Walking, reading, calling a friend etc.
