

This just got real!!!

Posted by The Goy - 01 Feb 2020 17:47

Hi,

This is my first post, not sure how things are done.

I went to my annual wellness exam after a fall'

I was diagnosed with a irregular and significantly slow heart rate BH.

Hashem has just given me a reason to get serious, one that I can't just reason away again

Baruch Hashem,

Benny the Goy

Wow! Powerful post. I wish you good health and good luck on getting these issues in order.
Thanks for your post, Benny the Goy.

I suggest using the 90-Day Chart feature on this website.
