I am reaching 90 days clean tomorrow iy"h!!

I feel that i am reaching "90 Victories" rather than just 90 days, as we all know that every clean day is a true "Victory" that requires hard work and not just a day of staying clean and "not having a fall"

I am just sharing my feelings here... it Erev Purim after all today..

Happy Purim to all of Klal Yisroel:cool:

Maybe the chart name should be called the "90 victory chart" instead of "90 day chart"

WOW! This is an incredible insight and congratulations for reaching 90 on such a special day, may you keep it up for the rest of your life.

When we focus on the future, we can easily fall. It's like someone walking a tightrope; if he looks down, it becomes so much harder not to fall. Therefore, when feeling weak we can tell ourselves, "just for today, I will stay clean." "Just for **this moment**, I will stay clean." The past and the future are out of our hands and belong **only** to Hashem

Always remember, **today is the first day of the rest of your life!** So let's do our very best to stay clean just **for today**.
