Hi!

This is my first time here and posting. I have been struggling with this for a while. I always wanted to live a halachic lifestyle and soon, bli neder, I will be getting engaged. I wanted to take this opportunity to start working on this Mahchlah that I have and improve in this area. I hope that I begin my journey to becoming a better person and being in control of my Tievah/ Shomer Habrit. I just felt like sharing that with you guys.
