Hi guys, its been a while, just started a new post on another forum, (<https://guardyoureyes.com/forum/1-Break-Free/369724-Its-been-a-while-SORRY#369724>). Im really sorry I haven't kept in touch with you guys over the past year, I essentially fell off the face of the earth. Just wanted to let you guys know I really did miss you, and I feel terrible for leaving on a dime like that.

Hopefully ill be around a bit more for now on:). Looking forward to hearing from you guys.

Just wanted to take a second before shabbos to thank all of the GYE Chevra for everything. Especially to everyone who was responding, it feels good to be back.

Shabbat Shalom

Figured I send an update cause why not.

Doing ok, had a really rough beginning of the day, and had nothing to look forward to or really keep me responsible of that matter, so I just got up at like 12, plus another 3 hour nap I took... even though I felt good after the nap, wow I felt like a bum in the morning, I just wanted to go back to sleep.

?Ugh I can barley put a streak together, and I am not sure how long I should go without it and I no I should go back to SA but I have no drive.

Going to a sleep away camp full of religious girls over the summer so that adds to all of the complications, but I will appreciate the structure I think... which will be hard to keep up with I'm sure.

Is there another option for camp?

---

All good questions.

?I think (which usually isn't good for me) that the structure will be great for me. I don't have to look anywhere I want to and all the girls will be tzniusly dressed. Its just a question of being in that environment. Right now thats the only option for me really over the summer, and I can't run away forever.

Sorry should have been a lit more easier on Yosef10. If it was my son I would be more yemin mikareves.

Sorry guys

Sorry Yosef10, you are an amazing guy, and working in that camp maybe your best option. If you know what you are up against you may be more careful.

Thanks willnevergiveup for your inspiration

Thanks Eyes

Maybe we can ask Yosef hatzadik for some background before hounding him like a pack of hungry hyenas.

What is the story, why is this your only option?

And yes, if the two options were this camp and sitting on the couch watching porn all day, camp wins. Anyone want to argue?
