Ok so I haven't wasted seed for one whole week in quarantine (this is a huge accomplishment for me)

My goal with this piece is to consistently write about my struggles on a daily basis and to share what I'm learning about torah and how I'm improving my business. If you aren't ready to laugh, cry, and to relate please don't read this topic. But yeah, can't wait

Wow, really amazing and inspiring to all of us!

We are looking forward to reading your posts and watching you keeping strong. Together we'll all win!

Overcoming difficulty is so basic to true accomplishment in life that it is the reason Hashem places man into a life so full of challenges (Mesillas Yesharim, Chapter 1). Hashem wants to provide man with the opportunity to win his battles and truly accomplish. Challenges are only there to make us great! Succeeding despite the difficulty is the point of life! The harder it is, the greater it makes us.
