Great move!

Post regularly so we can hear what methods work for you which will help us and yourself when you reread it and it will also help you along if you're posting

B"H! Keep it up...

Now we need to make sure that Hashem is happy too...

Wanna make Hashem laugh? Tell him your plans for tomorrow.

Wanna make Hashem happy? Ask Him His plans for you for today!

Nice!!! keep it going.

Would you care to share with us how you do it?

Some of us also struggle a little on our journey. How about you, smooth sailing, or rough waters?

Keep us posted we would love to hear.
