

Giving it another shot

Posted by anothershot - 01 Jan 2021 06:18

Hi! I have been coming to gye for about a year and a half but this is my 1st post on the forums.

Last year I had a clean streak of 183 days but then I fell and since then I have been up and down with smaller clean streaks and less acting out in between.

Recently though I have been falling too often so I decided even though it's difficult for me I will start a thread to hold myself more accountable.

Mazal tov!!!

Think about how good it feels to make it this far. Then think about how it will feel even better (if you can imagine) once u make it to 3 weeks.

With you every step of the way

I had a fall yesterday.

While I know all too well about falling I also know all about how important it is to get right up dust myself off & start again.

Hatzlacha to all!

Love the attitude! Please, please, please, please write down how you feel and the clarity you have after the orgasm/binge. Read it when confronted with the same temptations and break the magical grasp it has on your discipline.

If you get right back up you can continue pretty much where you left off - don't fall in a binge!!
