The key to succeeding here, is prayer. Every day, and especially when the Yetzer Hara strikes, we must cry out in our hearts to Hashem: *"I am powerless without you Hashem. Only you can take these burning desires away from me. I give my desires over to you, Hashem. Help me to see the beauty in you, not in flesh and blood. Help me to transfer my lust and love to you. I give my life over to your care"*.
