

Keeping Accountability

Hi guys,

I've been here for a few years, but was part of the thousands that just reads but doesn't post or click thank you. (If you think about it, there's on average 5-10 people that say thank you on a post but there's thousands on the site and even looking at the post- you could see it says 'views'. Just saying...)

First of all I want to say thank you to GYE for being who they are and to everyone here especially those that post, it gives tons of chizuk even though many of us don't reply or click thank you, you should know the posts are great and very inspirational.

Just wanted to start a thread to keep accountability. My main struggle right now is ms, I don't have access to porn bh. I have a very hard time with lusting about my sisters in law; two single ones in shidduchim age. They are both attractive and although my wife is very pretty too the yh makes me think that they are prettier. I really think about them often. And they are each a little clueless in their own way and they do things which don't help the situation, nothing bad just isn't great for me they are very friendly etc. It's especially hard when I go for Shabbos, many times I look forward to going so that I could 'enjoy' them more directly. I'm going for Shabbos this week and I want to come back here and say that I was (at least) 97% clean in terms of lusting them.

I'll try to post here as much as I could to keep me stable and for accountability.

. I love you guys.

Happy Yid

But either way I'm thinking that the 'views' isn't the amount of people that looked, rather its the amount of times the thread was looked at, because your thread has like 17k views but theres only 11k users (you probably cant see that either)...

But I'm still sure that there are more people looking at the posts than the amount of thank yous, I was one of them...  
I attached a screenshot with your thread to show you your amount of views

Bh all is well here.

I watched something I shouldnt have (not porn) for a minute or two... will make sure that doesnt happen again.

Just an interesting thought I had today,

Earlier today my 20 month old was holding my hand and trying to direct me to the nosh closet, I was resisting for a little bit but then gave into her and let her walk me to there... Sadly, that often happens with the YH, he tries to get you to do something, you try resisting a little and sometimes give in at the end. Don't let that happen, keep on resisting!

Bh another awesome clean day!

Its amazing how helpful it is for me to post. For the past year or two I had many ups and downs, but now since I started posting it feels much easier knowing that I have a group of 'friends' here that follow my progress.

Thank you for being here!

Bh clean.

Had some lustful thoughts and touched myself too much but it didn't get out of control, but I really cant let that happen again, I'm much better than that!

For 8 years I masturbated 2-3 a day, then I got involved with GYE and was clean for 115 days...then I was up and down for around 2 years till recently I decided to really try again and now I'm holding at 30 days!

Thank you Hashem!
