

OivedElokim-I'll never give up

Posted by OivedElokim - 21 Feb 2021 21:37

Day one.

This is my brand new thread for my brand new journey towards purity.

I will keep with me the lessons learned so far and keep my eye on the ball.

Today is the first day of the rest of my life.

A porn and masturbation free life.

A life of positivity and happiness.

A life of Torah and Avodah.

The life G-d intends for me to live.

Wish me luck.

Day 2

Feeling weak. Slipped a bit. Want to go all out, but I remember the empty feeling that follows.
Unfortunately it is not a distant memory...

The struggle is endless. The tayva never goes away...

You really are impressive.

I know you don't have a super "long streak."

But your resilience and resolve in the face of adversity and such profound challenges, is truly inspiring.

You will get past this. Just be patient with yourself. You are a good person, an aspiring Eved

(Oived?) Hashem (Elokim?).

Keep shteiging. Keep moving forward. Keep being Mekadeish Sheim Shamayim.

And, don't forget to smile.

With much admiration,

YeshivaGuy

After reaching 7 days for the first time in a few weeks, I fell late last night.

Brushing myself off, lifting my head high and marching forward...
