

Kollel Guy's 90 Days

DAY ONE

OK, I feel like I should have done this on my 1st day, but I didn't. So here I am a few weeks in. I got over my fantasy of "Now that I'm part of GYE I'll never fall again" with a rather harsh way of being awakened. It's time to start down the path of real work, and real responsibility, and real kabolos ol.

So..... even though on my chart I'm at day 12 today, that's only according to the letter of the law. Meaning I didn't do anything which I wasn't allowed to do according to the rules. But in reality - it starts HERE. I know that today I really did mess up. I looked for it. Baruch H-shem for my filter (2 days old) - I didn't find it. But I looked for it, and that does count in shomayim.

23 Friday

First time I forgot to update my log.

I was running around like a mishigineh before Shabbos.

So in short, I didn't even have the opportunity to *think* about falling.

24 Shabbos kodesh Bishalach

Ate with my fancy shancy uncle in fancy shmancy hotel, got 2 bottles of nice booze....

Fri night was great, learnt after meal and felt Jewish for a change...(The new positive KG usually doesn't say those things, but there are exceptions occasionally.)

Shabbos morning... well I didn't come late, but I could have gotten up earlier, probably should have too...

Over Shabbos I had some bad thoughts.

Had to talk to someone on motzei, who stirred up very bad memories.

But overall I'm doing ok.

I'm so happy I'm 24 days clean, even though I feel bad things coming my way.

Glad to hear that shabbos was good, sorry about the negative thoughts - but if you see storm clouds on the horizon, buy yourself a freaking umbrella, man!

In others words, plan for the troubles ahead. Like a fire drill, have it programmed in.

And keep rocking!

As I approach day 20..... Note to self: nothing will happen if I ignore my cravings. Nothing.

Feel free to listen in.

BH - incredibly true, and deep...if only we could remember that when the yetzer hora paints this oh-so-dramatci picture of despair and sadness that'll come to pass if we don't heed his warning... :D

Good to hear you were busy Erev Shabbos, being busy is one of my remedies to keep the yh away.

Don't fight those thoughts just try to think about something else that has no connection preferably Torah thoughts.
