Congratulations on such an amazing streak!

Please don't become complacent; "I'm already in a good place I don't need to be vigilant anymore". If we're complacent, it's just a matter of time before we get caught off guard.

As we keep on repeating, keep on taking the journey one day at a time.

Maybe the email can be reworded a bit, but the point is not that you sacrificed a good thing but that you brought a sacrifice to Hashem!

The Medrash *Yalkut Shemoni* (click [here](#)) brings Chazal's words: Who ever turns himself away from *aveira* (sin), then even if he is a Israelite, he is worthy of bringing a sacrifice on the alter like the *Kohen Gadol*"... "And who ever makes himself lazy from sin and doesn't sin, merits to enjoy the shine of the *Shechina* like the ministering angels".

We're looking forward to celebrating 90 with you (remotely) at the shabbos kiddush (Kiddush Hashem!)
