Not liking the GYE email at day 70 that i just sacrificed 70 days i was like huh? what did i give up something terrible that was ruining my life why is that called a sacrifice??

Maybe the email can be reworded a bit, but the point is not that you sacrificed a good thing but that you brought a sacrifice to Hashem!

The Medrash *Yalkut Shemoni* (click [here](#)) brings Chazal's words: Who ever turns himself away from *aveira* (sin), then even if he is a Israelite, he is worthy of bringing a sacrifice on the alter like the *Kohen Gadol*... "And who ever makes himself lazy from sin and doesn't sin, merits to enjoy the shine of the *Shechina* like the ministering angels".

We're looking forward to celebrating 90 with you (remotely) at the shabbos kiddush (Kiddush Hashem!)

thank you i appreciate it! oh and what a kiddush it was!!!
