

90 day log!

Posted by TheYoungerTwin - 05 Dec 2021 01:29

im lo achshav, eimasai

I just fell last night.

i haven't gone 90 days without masturbating in the past 4 years. The closest I got was maybe a month and a half. I don't just need to stop, I really WANT to stop. And I have to accept that I can't do it alone.

So, bli neder, I will post an update every single day (except for when it's impossible) so I can keep focused, stay motivated, and keep the "one day at a time" mindset.

May it be Hashem's will that I and all who are trying to make it to 90 days clean (and beyond!) succeed.

Lets do this!

6 weeks in. Day 42.

Taiva still recurs, and I don't think that will ever stop, but it's definitely easier to deal with now. Sometimes batting away urges and thoughts leave me tired (like today). I've come this far, and just knowing that gives me strength to continue.

You can do it, The YoungerTwin! The battle will definitely get easier and easier the more you are able to divert your mind away from fantasies.

Day 45

halfway there...

my next goal is 60 days (2/3)

though i've read it many times on the forums, it finally hit me - it's all about the fantasizing. i realized that i've gotten into a habit of redirecting my thoughts any time something might stir up a sexual fantasy. thats how i stay clean - by keeping my thoughts clean and not letting things spiral out of control.

this is a huge milestone for me. i've said it before and i'll say it again - i would not be here without gye and all the support you guys give me.

thank you!
