Destination - 90 days, A human beings journey.

Here I go, this will be the spot for my journey to 90 days! I'm excited to finally start. Its my first time legitimately trying to stop masturbating and calling phone sex lines to listen to the recordings (and occasional porn when I have access).

Whatever my ETA is, 90 days is my destination.

I will hopefully post every day. Any feedback is appreciated.

I usually have a really hard time with phone sex lines when I'm in bed and going to sleep, which has always ended in masturbation. This is especially when I have a hard time falling asleep.

See you down the road- enjoy the ride!

I have to be honest I've been doing too much sexual exploring the past few days. I really gatta stop. That is always where it starts for me. i also have to share a unequal desire I have that I'm very embarrassed to share. Hopefully i will be supported.

Love love and more love. If anyone can use a hug. here it is. Love you non judgmental yidden
