Destination - 90 days, A human beings journey.

Posted by Human being - 05 Jan 2022 18:52

Here I go, this will be the spot for my journey to 90 days! I'm excited to finally start. Its my first time legitimately trying to stop masturbating and calling phone sex lines to listen to the recordings (and occasional porn when I have access).

Whatever my ETA is, 90 days is my destination.

I will hopefully post every day. Any feedback is appreciated.

I usually have a really hard time with phone sex lines when I'm in bed and going to sleep, which has always ended in masturbation. This is especially when I have a hard time falling asleep.

See you down the road- enjoy the ride!

Hi HB!!!!

Can you try turning on some music and dance? Get your heart pumping. Feel the energy. Go for a jog?

This scary part is also a precious stage in your journey. I hope you will succeed in calming and energizing yourself. Then in the future you should be much more confident in your ability to stay strong even when other bumps come along.

Hatzlacha!

Day 2 out here. Love the fight. We are so lucky we have what to get up for in the morning. To fight away. Thank you Hashem for this fight.

Great to hear that you're feelin' positive.

We get up to live, not to fight.

?There may be fights every once in a while.

Fightin' ain't livin'.

that's what I mean when I say the word fight, my dear factcheckers. To work and grow and struggle and move forward and persist and be stong in the face of adversity and to not back down from our convictions. Omg. please

Hold in there, my friend! You are Hashem's precious child, He's waiting for you to get up and fight your way to Him! Get yourself a new filter, and stop testing them. Or get web chaver. Keep trucking, and let us know how you are doing!
