

Destination - 90 days, A human beings journey.

Posted by Human being - 05 Jan 2022 18:52

Here I go, this will be the spot for my journey to 90 days! I'm excited to finally start. Its my first time legitimately trying to stop masturbating and calling phone sex lines to listen to the recordings (and occasional porn when I have access).

Whatever my ETA is, 90 days is my destination.

I will hopefully post every day. Any feedback is appreciated.

I usually have a really hard time with phone sex lines when I'm in bed and going to sleep, which has always ended in masturbation. This is especially when I have a hard time falling asleep.

See you down the road- enjoy the ride!

Barambambarara!!! 30 is almost here buddy!!! That means a lot of effort! A lot of retraining you put in! It means the next 30 days will be much easier! It means a lot! Do something extra special this time around! Something you'll really feel! How about a super special shmonei esrei on day 30?! Where you focus extra by the words for a few brachos special for this occasion? That's a celebration you'll feel!

Day 29 clean!

The last 24 hours where the hardest for sure so far. Last night there a part of me that was really depressed. The challenge with feeling depressed is, that besides for wanting to soothe myself with masturbating, being depressed also makes me not really care about my self or my streak. So the motivation to hold myself back is really lowered.

So what did I do? I told myself that at least I have 1 thing to feel good about; *my streak*. And I told myself that if I were to lose my streak, then I lose the only thing I have that I feel good about.

That helped me in the moment.

Warning: Spoiler!

A quote-

"We can be unhappy. But that's *not* ok. We can also be *happily* unhappy. And that's awesome."

The point is throughout life we are going to have challenges, mood swings, be upset, angry, and a whole bunch of other things. The key is learning to be ok and B'simcha about what we are feeling. Even if the feeling isn't so pleasant. We can have a part of us that's angry or upset, but at the same time have another part of us that's B'simcha even though we are upset.

?Wonderful day to all. See you guys tomorrow at.....30 days!!!!!! I'm so excited!

Thanks for your post. I also get depressed at times and that is when I am weaker. I found your post encouraging. Bh I have been successful in making changes in my life since I started here, but I dreamt some fantasies a couple of nights ago and it reawakened some desires. Bh I did not act on any of those but it's messing with my mind a bit... I no was feeling lonely and came on to get some chizuk and saw your post... thanks again
