HardButPossibleLetsgoNachamul! JourneyCount..Day1

So I, emesayid, failed. Today was a completion of a long streak (3months roughly) sadly, It bothers me to express but am awaking a new journey. I need the oilam's help again, please help with the chizuk, I am still down, but I know posting will help and I will get back a new within some time. I love you hashem and I will shtiegh and pass through this hard nisayon, although it's a very hard time for me now, tomorrow I will hopefully look back and see the heligha kiroyvim here and help, with my tefilos which can bring help from you. I will do this bzas hashem 90days bzchus one to have children, I will be more involved to shtigh! Hashem you are here with me and I can give people chizuk, to give myself is hard but am trying my best. To the chasuvey oilam, I am sorry I thought I was a gibor but realized today I am not, I am down and it hurts I know I am temporarily going through this darkness, but this nisayon will pass through soon!

Hatzlacha to me - emesayid, you will look back and pat yourself at the end of this all bzh! Keep making Tati Proud He is watching down at you!

The Gemora says that an Oved Elokim is someone who reviews his learning not only 100 times, but even 101.

The Baal Hatanya writes that the standard used to be 100, so keeping on trucking and doing the extra - That's the special Avodas Hashem!

The Koshnitzer Maggid says it's ??? ?????? ?????, one hundred times with the help of the **One** - Hashem.

You, Emes-A-Yid - **ONE HUNDRED TEN - both pshatim to the max!!!!**

**Keep inspiring us!**
